Brothers and Sisters,

MEMBERS CAN CHECK OUR WEBSITE FOR A LIST OF OPEN CALLS.

<https://ua290.org/dispatch/open-calls/>

Please have your members reach out to you and not call us for open calls at Local 290.

Here are the open calls for Local 290. You can hear all our calls on the 290 jobline (503)612-4924. If you have any questions, please call the dispatch office (503)612-4919. DO NOT FAX BIOS TO LOCAL 290.

If you have a member who is interested in coming to Local 290, please submit their bio to 290dispatch@ua290.org and make sure their bios are available in MOMS. After the bio is received, the member will be checked into Local 290 in MOMS and an email will be sent to the member. We dispatch first come first serve so we call in the order they hit the out of work list. We do not do bidding system here.

IF SENDING OUT MEMBER BIOS WITH LESS THAN 1 YEAR AS A UA JOURNEYMAN, THESE BIOS MUST BE ACCOMPANIED BY A LETTER FROM THE BUSINESS MANAGER ATTESTING TO THE SKILL SET OF THE MEMBER THEY ARE SENDING. IN THE STATE OF OREGON, YOU MUST HAVE AN OREGON PLUMBING LICENSE. IF THE MEMBER DOES NOT HAVE AN OREGON PLUMBING LICENSE, A LETTER MUST ALSO BE SENT ATTESTING TO THEIR ABILITY TO WORK AS A FITTER.

Our current wage rate is \$62.87 base wage and \$101.62 total package.

What is a detailer? The role of a detailer includes but not limited to:

- Layout of hangers and piping systems from P.O.C. to P.O.C.

- Install hangers for piping systems and associated system components
- Create spool and overall isometric drawings for submittal to fab shop
- Assist installation crews when spools arrive
